

Medication list as of 1/1/2026

2026 Preventative Comprehensive Universal Formulary

Your employer has elected to provide several common preventative care medications at little or no cost to you.

Please note that your specific pharmacy benefit may not include all medications on this list or may require a prior authorization for some medications. Medications that require prior authorization are marked with an asterisk*. If you are prescribed one of these medications, please notify your doctor. Medications on this list are subject to change.

If you have questions about a specific drug, you have resources at your fingertips:

- Download True Rx+ in your app store or use the member portal at member.myplantruerx.com.
- Our Patient Care Team representatives are experts in your pharmacy benefits plan. Call the Patient Care Team at 966-921-4047 between 8:00 am and 8:00 pm ET Monday through Friday.

*Requires Prior Authorization
